

Blood Donation Camp

Satin Creditcare Network Limited celebrated the closure of the year 2010 with a very noble activity. Satin organized a Blood Donation Camp on December 24, in collaboration with Rotary Club. Satin's initiative was well received not only by the people from Satin but by the outsiders also. It was a proud moment for all of them who made their selfless voluntary contributions for the cause of humanity. Satin was contented that it provided a platform to the deeds of individual humane intentions.

The camp was organized for duration of 6 hours, from 10:00 am to 4:00 pm, and it was enthusiastically attended and volunteered by great number of people. There were about 80 individuals who donated their blood and there were many more who wanted to contribute for the same cause but could not do so for the reason that they were not medically apt to donate blood. The volunteers were given tokens for their selfless contributions from Satin and Rotary both. Satin salutes the spirit of each and every individual for their efforts, intent, selflessness and zeal for this humane cause.

Satin would like to thank everyone for their support in any form. Thank you for believing in the cause and the motto "***Rakt Daan – Jeewan Daan***".
